

Hi All,

Firstly, apologies to those who I have not responded to yet in regards to tee time bookings, I'm sure this email will explain why.

This is a transition phase to return us to shotgun starts - please read this and communicate with each other to help make this as smooth as possible. Bruce will be circulating a 'Club House Operations' email which will entail the requirements for us to re-open the club house and the restrictions we must follow.

From this Wednesday onwards (3rd June)

Wednesday Golf:

- If you wish to tee off with a prearranged group - please organise your group to have tee'd off from the 1st tee no later than 830am to ensure you have passed the 4th tee by 9am.
- If you do not have a group organised - please meet at the practice green by 845 and organise groups to tee off from the 1st and 4th - maintaining social distancing/hygiene - starting from 9am.
- Please pay your comp fee with correct money, swipe your card to enter competition and please continue filling out your own card.
- No NTP until further notice

Saturday Golf:

- Morning groups can tee off anywhere from 7am until 8am from the 1st, 4th or 7th tee - please prearrange your group if you are playing in the morning.
- Afternoon Groups - If you have a prearranged group, please tee off between 1030 and 11am from the 1st or 4th tee.

- All other players please follow the social distancing/hygiene rules and put your card in at the match committee box to be grouped for an 1130 onwards tee off from the 1st and the 4th tees.
- Please pay your comp fee with correct money (\$7 for Stroke round this week), swipe your card to enter competition and please continue filling out your own card.
- Groups to be announced from the practice green or deck
- No NTP until further notice

For both Wednesday and Saturday, Ball Runs will return from this week and trophy winners will be presented the following week. Competition winners during the COVID19 Period will be collated and presented at a date TBA.
