

Captains Report 18 August 2019

My report sounds awfully similar to last month with some great competition numbers even through winter.

We have had a good mix of Par, Stroke and Stableford as well as a well-supported Pinehurst round.

Thanks must go to our always hard-working volunteer group who outside of the working bee have been putting in countless hours to keep our course in great condition/

The 5th Round of the Wenzel Cup has been completed with James Smart leading Greg Bascheira by 2 points.

Three rounds into the Hiscock-McInnes Par series has seen 65 different players over the three rounds which is a fantastic achievement considering past numbers for Par events.

Club Championships are nearing with the Ladies champs beginning later this month and the Mens Champs beginning on the 7th of September (7th/8th/14th/15th September for the Men)

The Ladies Open is coming up this Friday the 23rd, we hope for a great day of competition for all involved!

Good Golfing

Ben Birtles

Captain
