

## **Oakbank Women's Open**

The 2019 Oakbank Women's Open, played in perfect winter weather and on a course in great condition, was rated one of the best by Oakbank captain, Judy Thomson.

Women from 12 different clubs, as far away as Lamerloo and Swan Reach, played in the Canadian Foursomes competition. Joy Page and Jill Freer won the gross score trophy, with Angela Hyde and Mary Parkyn the nett winners.

Players were provided with soup and croutons on round one and port and chocolates on the second nine. Several Oakbank lady members who sacrificed the opportunity to play, presented a wonderful lunch to all who participated.

Captain Judy especially thanked all those who supported the event and those who helped in the organisation and on the day. She also expressed appreciation to the volunteers who "presented us course in brilliant condition".
